

Thomas Viaduct Monument
Relay

- 2542 **THOMAS VIADUCT MONUMENT** - 1835 - B. & O. Tracks at terminus of Viaduct Avenue, Relay. When the 1835 stone viaduct across the Patapsco was completed, the contractor, John McCartney, designed a 15-foot obelisk with the names of the builders of the bridge, the directors of the railroad, the architect, engineer, and other participants.
